

Dear Graduates,

You did it! We're so proud of you and your accomplishments. You've worked hard...and now it's time to celebrate YOU!

I hope you will remember three words from today's ceremony: **Learn, Serve, and Grow.**

LEARN: Your presence here today means you learned while you were a student with us. If you hadn't, you wouldn't be here!

Don't stop! Keep learning. Be a lifelong learner. Learn from books. Learn from nature. Learn from others.

SERVE: Do you want to make a difference...in your own life, in your family, in your community, in the world? The way to make a difference is by serving others.

This has to do with your mindset and the choices you make every day. Are you selfish or are you selfless? Choose a life of service, one person, one family member, one stranger at a time.

GROW: Growth and learning are not the same. Growth suggests that something profound is going on. A person who has experienced growth is a step closer to maturity.

If you choose to focus on growth, you will become more willing to accept your challenges and mistakes. With growth, you come to understand that you may need to try several times to reach success.

You will grow during both easy times and hard times. Your attitude will make the most difference in your life. Try new things. Be teachable. Be humble. Listen well. Expand your mind and expand your heart.

Go take on the world!

April Nelson
